

NATURAL SOURCE PACLITAXEL API GUARANTEED ≥ 99.5

A NEW EXCLUSIVE SOURCE SUPPLY IN NORTH AMERICA

This is the largest and the highest quality of natural paclitaxel API manufacturer in China. It has been a reputable supplier of its kind since 2004. We guarantee your 100% satisfaction in the quality and price of any amount of the product. We are the only manufacturer to provide clients 5g sample free of charge for their thorough test. Agents are always welcomed to join the supplier group.

Since 2002 the manufacturer started plant taxus in a plateau area at altitude 1200-1244m in China. By the year of 2008, it had invested \$18 million, cultivated 3,550,000 Taxus trees. The content of paclitaxel is range between 0.04-0.045%. By 2010, the taxus woods can supply 2000 MT dried biomass media for producing paclitaxel 800 kg (≥99.5%). The product output will reach 1200 kg by 2014.
