In Beijing

Experiencing China Invitation

This is a unique learning and experiencing program for Canadian students visiting China during the summer vacation. The program is interweaved with knowledge and fun through class learning, playing, sightseeing, home-staying, and fabulous traveling that enable you to blend in 5000 years Chinese history and its modern life today.

The traveling is meticulously planned for visiting 6 cities as Beijing, Luoyang, Songshan, Xi'an, Suzhou and Shanghai, while browsing these famous historical sceneries, you will enjoy special flavor foods of the country from its north to south. It is a worth going trip which will give you rare experiences and leave you lifetime memories.

This program is organized by **Elenet International Ltd.** (www.sinocanbiz.com A BC and AB based consulting organization) with its partners of **Beijing International Chinese College** (<http://www.hibicc.com/EN/index.asp>).
